

Our clothing manufacturer is Verge Sport from New Windsor, NY. Verge was founded in 1993 by a group of cyclists who wanted to have athletic clothing produced by a company that is committed to product quality and customer service. Verge products are used by numerous teams, and were used for the Sydney Olympics. And the guys who make this stuff care about racing...Verge supports two of the largest cyclo-cross series on the east coast.

Verge like most clothing companies have minimums to justify setting up screens for custom artwork (6 per item or cut, 25 per group). Because of this, some items may not be available on the final order. Listed below are some items we would like to try to order.

If you need additional information, please refer to www.vergesport.com. For reference, cycling items will be using the ESP chamois, and M-Tec Extreme fabric. Tri items will be using the QuickDry chamois and PowerPrint2 fabric. Two weights of long sleeve cycling jerseys are offered. The normal weight which is more similar to the short sleeve fabric, and a heavyweight which has a fleecy type liner and is very warm but not windproof. The Entropa vest and jacket are mild-thermal and windproof, with the vest having a mesh back.

All orders must be **PAID IN FULL** by **APRIL 1**. Failure to pay prior to April 1 may result in a cancellation of your order. This means you would have nice swanky Central Penn Racing clothing to wear around, and that would make us all sad. We are getting a special deal from Verge, and we have to keep deadlines.

Each top ordered receives a **FREE BASE LAYER**, each bottom a **FREE PAIR OF SOCKS!!!**

DUES PAYING MEMBERS get their choice of one **\$50 CYCLING JERSEY** or one **\$45 TRIATHALON JERSEY**.
